Fort St. George, July 28, 1931

(G.O. No. 760, Public)

No. 91.—The Committee appointed in G.O. No. 1045, Public, dated 14th October 1929, to consider the question of uniform Account Test for all executive officers has recommended that the syllabus for the existing general Account Test may be simplified by the omission of such subjects as are of little value to a large number of those for whom the test is prescribed, so that it may serve the needs of all departments and make separate account tests unnecessary for different departments except the Public Works Department. The Committee has suggested that the subjects of the existing Account Test which should be retained may form Part I of the proposed test and that Part II might consist of departmental Codes and Manuals. Heads of departments who were consulted agree generally with the recommendations of the Committee. The Government are pleased to issue the following orders :—

2. The Government hereby direct that a new test to be called the 'Account Test for Subordinate Officers' shall be substituted for the existing general Account Test. The new test will consist of two parts. The syllabus for Part I will be—

The elimination shall be repeated until two candidates only are left, when votes shall be taken for the last time and the candidate who secures the larger number of votes shall be declared to have been elected. In the event of there being an equality of votes at the final stage between the two remaining candidates, the president of the meeting shall draw lots in the presence of the councillors and the person whose name is first drawn shall be declared to have been elected.
